

4th Annual Opioid Abuse and Heroin Overdose Solutions Summit: Innovative Collaboration for Change

May 16, 2019, 7:30 AM — 4:30 PM
Burton Manor, Livonia

The Detroit area and surrounding communities are striving to cultivate solutions to address drug addiction plaguing friends, families, youth, and co-workers. Join the conversation and collaborate to learn new innovative strategies and programs tackling addiction treatment and prevention.

Discussions will include:

- An examination of Michigan's effort to fight the opioid epidemic, including updated statistics as well as emerging threats.
- An exploration of peer recovery programs utilized in various health care settings, courts and prisons. An experienced panel will deliver strategies for success, notable challenges as well as the importance of peer health.
- A review of new Substance Use Disorder Licensing Rules
- An open discussion on the state of our youth, targeted prevention responses in the education system, and family help programs.
- Opportunities for physicians and pharmacists to further their SUD patient engagement. Discussion on quality metrics, coordinating care between behavioral health and physical health care settings, and navigating the treatment system.
- A review of State Pilot Programs and their current and potential impact.
