

Childhood Immunization Workshop: All what you need to know about vaccines!

Speaker: Paul Kilgore, MPH, MD

Date: Wednesday, September 20, 2017

Time: 11:00 am to 1:00 pm

Place: Joseph W. Williams Recreation Center, Room # 120

Address: 8431 Rosa Parks Blvd., Detroit, MI 48206

PURPOSE: This is a free session to brief and raise awareness among the community about the importance of childhood immunization. All interested individuals are cordially invited to attend this important workshop.

AGENDA: History of vaccines, value of immunizations for < 5 years old children, importance of the full battery of shots, concerns/issues, referrals to where immunizations are being given (public and private), etc.
